COMMITTEES

Achievement Day - Co-Chair April Larsen reported that the online registration went well and things are in good shape for the November 2nd event. More helpers are needed.

Holiday Benefit Concert - Sue Brownson clarified that she no longer works at Our Savior's Corner of Hope Church. This also impacts the Winterfest event in January at the same location. There was also discussion of asking for pianos to be donated for events. Evelyn Bilborg suggested contacting Joe Woods, as he may be willing to donate for the cost of moving the pianos.

Website - Lorian Bartle has updated and backed up the website. She needs the revised list of repertoire for Sonatina Festival. She also asked for more current photos of students, and reminded everyone that she needs a signed permission from each parent in order to put them on our website.

NEW BUSINESS

Limited discussion of the PRP book and videos.
More volunteers are needed for the MTNA Competition in Ft. Collins on Saturday, Nov. 19.
