A Note from the President

Hello fellow FMTA members!

Our season is off to the races and already I see that we are going to have amazing events and spectacular performances! The End-of-Summer Recital at Anderson Park Pavilion ran smoothly and the day was filled with a variety of instruments, talent and genre. Thank you to Thomas Hoops for bringing your sound set up and expertise. I could not have done it without you!

Thank you to Julianne Hardinger for hosting our August Brunch. Your backyard made for a beautiful background! Anyone looking to amp up their repertoire collection should reach out to Julianne as she wraps up her "retirement liquidation."

I hope to see you all at our next meeting!

All the Best,

Community Outreach Chair Report

The end-of-summer recitals were a success! Although COVID had other plans for me (Lorian) being able to attend, Davina Perret graciously stepped up as the coordinator for the day, allowing 10 teachers and their students to make music throughout the beautiful end-of-summer day. I look forward to organizing the event for next summer the weekend before Labor Day! ~Lorian Bartle

For the 2022-23 year we will be reading and discussing the New York Times Bestseller "Moonwalking with Einstein" - The Art and Science of Remembering Everything - by Joshua Foer.

"Joshua Foer proves what few of us are willing to get our heads around: there's more room in our brains than we ever imagined. Moonwalking with Einstein isn't a how-to-guide to remembering a name or where you put your keys. It's a riveting exploration of humankind's centuries-old obsession with memory, and one man's improbable quest to master his own." -- Stefan Fatsis

Dates for book discussions: October 26, 2022 & February 22, 2023 (Wednesdays) 9:30-11:00 a.m. via ZOOM and/or in person at the home of Arlyce Black.

Survey Opportunity for PHD Candidate in Piano Pedagogy

Please consider participating in my dissertation research regarding how we teach beginning students technique and the impact our teaching practices have on injury prevention. It will only take 10 minutes to complete this questionnaire. If you are a teacher who works with the beginner population (within the first 3 years of study), I would be delighted for you to participate!

Festival for Creative Pianist Updates:

The Festival is now scheduled in quarters:

Fall: September - November

Winter: December - February

Spring: March - May

Summer: June - August

-
Enrollment Fee is \$150.

-
The next quarter starts June 1, enrollment is now open so early enrollment and would let a student have an additional 2 weeks to learn about the festival and understand how to engage with OpenLearning, our on-line interactive platform.

A scholarship fund is available. Students who qualify would pay a fee of \$45 for this three month engagement with our Teaching Artists. This is equivalent to charges many teachers have for a one-hour lesson.
