Our Next Meeting is

Wednesday, November 15th

9:30 a.m.-General Meeting

**10:30 a.m. - Program: Laura Benson presents
“Teaching Late Elementary
and Intermediate Technique”**

Location: Our Savior’s Church

1975 S. Garrison St.

Lakewood, CO 80227

Note from Sue Brownson on the church entrance:

Please use the **Garrison Street entrance** at Our Saviour's Church. We have our general meeting in the Fellowship Hall and then move to the Sanctuary for our program. The door at the Garrison Street entrance will remain unlocked during the time that we are there. Please do not prop the door open during our meeting times. It wastes energy and small animals can gain entry into the building. Unfortunately, there is a homeless problem in the area and an open door is often used to hide in the church. At the end of the program, please be aware that the church will need to be closed down and locked. A couple of minutes to finish a conversation is fine but we do need to be out of the church in order to abide by our contract.

MUSIC FOR DISCOUNTED PRICES!!!

Music sale!

CHRISTELLE MENTH IS DOWNSIZING!!!

Christmas music (all levels), jazz, duets, sonatinas (both solos and collections), advanced music, and much more. Prices are mostly \$1, with a few items \$3 or \$5, and plenty of freebies. Don't miss this chance to stock up! I also am selling 2 metal music cabinets. When I worked at CCU you may have seen them in my office. I loved using them to organize music. They retail now for over \$800, but I'd sell them for \$200 or

best offer. They have 66 drawers and hold a lot of music flat. COME ANY TIME AT YOUR CONVENIENCE. Just give me a call at (720) 810-3081. I live near Kipling and Jewell in Lakewood. ~ Christelle Menth

(ALSO HENLE: Bach WTC I (I am charging \$10 for that because it's brand new, and those usually run at least 3X that), some JC Bach books, Beethoven Variations, Beethoven Concerto No. 3, and Beethoven 4-hand music, Haydn sonatas, (I also have some Schott Urtext editions of Haydn—a very good edition) Mendelssohn Kinderstücke, Schumann volumes, Schubert 4-hand music, and Mozart 2-piano music. Obviously, the more elementary music doesn't usually come in Henle, or the Christmas music or jazz. I do have lots of nice sonatina volumes (not Henle), including some of the Kevin Olson sonatinas I've often heard at sonatina festival.)
